The Darnley Hotel

The Darnley Hotel Redevelopment Plan

A new Accommodation and Training Centre will take a comprehensive support service for vulnerable people to the centre of need and greatly improve the area, making it a safer and more pleasant place to live. We believe a positive environment leads to a positive lifestyle.

With this Centre of Excellence, **HARP** can:-

- Provide opportunities for vulnerable people living in the area to obtain the advice and support they need to sustain their tenancy.
- Provide opportunities for vulnerable people to gain the skills and confidence they need to train for employment.
- Offer support to young people to learn the skills to live independently.
- Provide links to health services to assist people to move towards a healthier lifestyle.
- Have Night Shelter and Day Centre facilities under one roof to provide a seamless service
- Provide training and community group meeting rooms
- Provide a medical room with access to chiropodist, health visitor and doctor
- Provide facilities for other agencies to meet their clients
- Provide outside space and on-site allotment
- Provide 21 Emergency beds and short term accommodation
